Entry Fee: Entry fee is \$300, payable to May Institute Country Day School.

Warm Up: There is a separate warm-up area, all deep, behind the East goal. Teams should complete their warm-up in that pool. If time permits, teams will be allowed to shoot on goals in the main tank before their game.

Scorer Table: All games will be played on a 55 minute schedule. It is very important that we stay on time. The officials and table operators will be instructed to go to a running clock in the 2nd half if a team has a 10 or more goal lead. The clock will only stop for time-outs in this situation. We ask that local teams please provide an official bookkeeper for all games. That book will be the official book. If two local teams are playing, the home team will be the official score. Teams, please furnish a roster prior to April 1.

Pass List: Please send a Pass List of your coaches, team managers and any school officials by April 1. Send to: MICDS att: Don Casey, 109 North Warson Road, St. Louis, MO, 63124.
